Government is adopting a wavering policy. The Government should deal with the terrorists firmly. Due to this indecisiveness the workers of B.J.P. are being killed one by one. It was yet another instance of sacrifice. Therefore, I wish that the Hon. Minister should make a statement in this regard.

SHRI RUPCHAND PAL (Hooghly) : A very serious situation has arisen in our country. Thousands and thousands of public sector employees had entered into agreements with the Government in the Steel Authority of India, Coal India Limited and the Oil Corporation. What has happened is that even the money that was diverted from the provident fund is not going to be paid as pension. But in a clandestine manner the Oil Corporation are making the payment only on paper. Such an anomalous situation has arisen. I draw the attention of the Government to come out with a total policy in the matter of this pension which is an inalienable right of the employees of this country.
